Make a promise, please
 You'll always be in reach
 Just in case I need
 You there when I call
 This is all so new
 Seems too good to be true
 Could this really be
 A safe place to fall

Light on my heart, light on my feet
 Light in your eyes I can't even speak
 Do you even know how you make me weak, oh whoa?

I'm a lightweight
 Better be careful what you say
 With every word I'm blown away
 You're in control of my heart
 I'm a lightweight
 Easy to fall, easy to break
 With every move my whole world shakes
 Keep me from falling apart
 Keep me from falling down
